

Tucker's is Offering an Additional Freezer Credit in March

For the month of March, Tucker's is offering an additional credit for stores bringing in a new freezer. For each door committed to Tucker's (full doors only), we will issue a \$250 credit per door.

There are two ways to qualify for the credits:

- Distributor Freezer Program**
 In addition to our normal contribution, Tucker's will issue a \$250 additional credit per door committed after you place your first freezer fill order.
- Retailer Purchased Freezer**
 If retailer purchases their own freezer, Tucker's will offer a free fill + \$250 additional credit per door committed.

TUCKER'S 
 Because Dogs Are Worth It!

Contact your Distributor or Tucker's rep if you are interested in the program. We would be happy to help with plan-o-grams for the best product mix as well.
