TWO PUPS, A FOOD TRUCK & A MISSION TO TAKE THE MYSTERY OUT OF PET TREATS...

Winnie Lou, founded in 2018, began as a food truck for dogs in Boulder, CO. Our journey began by uniting pups, their parents, and the cleanest pet treats through a sense of fun and community.

The namesakes of our company, Winston & Louis, our two dogs, are why we formed a relationship back in 2017. We fell in love with each other's dogs and then with each other.

Winnie Lou is on a mission to take the mystery out of treating your pets by creating and selling transparent, healthy pet treats to pets all over.

Winnie Lou dog treats feature a variety of ingredients, often focusing on organic and human-grade options. Some popular treats include:

- **Peanut Butter Pretzels:** Organic sweet potato, garbanzo bean flour, rolled oats, coconut flour, organic peanut butter, unsweetened applesauce, flax seeds, and honey.
